

# SAP® Business One Helps G H Agencies to Improve Performance.

## Before: Challenges and Opportunities

- G H Agencies is into Manufacturing and trading of Garments, Textiles and other designer products.
- The existing system lacked the capabilities to track the Customer orders, Payments, Deliveries, Stock availability and vendor management.
- Inventory, Orders, Schedules and deliveries were being tracked manually, which made reporting challenging.
- The company was lacking the abilities for proper management and Customer satisfaction.

## Why SAP and Cogniscient Business Solutions

- SAP Business One provided an integrated system to track orders and manage stock replenishment and warehousing with proper accounting and payments.
- As an integrated platform it assisted in connecting all departments and locations in one system.
- Cogniscient Business Solutions identified customer needs and developed solutions to bring visibility to management to take timely decisions and keep ahead of competition.

## After: Value-Driven Results

- Ability to control the accounting functions for multiple locations and Consolidated reportings.
- Visibility of available stocks and tracking all the stores / warehouses.
- Maintaining the proper record of payments of Customers and Vendors.
- Better customer satisfaction with timely delivery of orders and feedbacks.

“SAP Business One helped managing our multiple locations PAN India. Managing our vendors and customers has become easy and the system has helped us in keeping a track of all our payments, stocks and entire business.”
