

Sunlord Apparels Manufacturing improves visibility with SAP® Business One

Before: Challenges and Opportunities

- Sunlord Apparels Manufacturing Company is into manufacturing of Textiles, Apparels, Home decors and Soft toys manufacturing.
- With the exiting limited tools the company was not able to properly manage the operations, Customer orders, Stock availability, Etc.
- Inventory, Production, Warehousing, were being tracked manually, which made reporting challenging.
- The company lacked abilities for proper reporting and Customer satisfaction.

Why SAP and Cogniscient Business Solutions

- SAP Business One provided an integrated system to track orders and manage stock replenishment and warehousing along with the Production with proper resource utilization.
- As an integrated platform it assisted in connecting all departments in one system.
- Cogniscient Business Solutions identified customer needs and developed solutions to bring visibility to management to take timely decisions and keep ahead of competition.

After: Value-Driven Results

- Ability to control the accounting functions.
- Visibility of available stocks and tracking all the stores / warehouses.
- Managing the payments from vendors and customers on timely basis.
- Increased management visibility is helping with better decision making.

“SAP Business One helped us in Customer Satisfaction by keeping us meet our schedules. Proper Stock Management, Accounting and Production process helps us in managing the business more efficiently.”
